RE: 2021 ACEC Arkansas Engineering Excellence Awards

Date: April 4, 2022

Contact: Angie Cooper at 501-541-5229

ACEC Arkansas is pleased to announce the winners of the 2022 Engineering Excellence Awards (EEAs), which recognize Arkansas engineering projects that demonstrate a high degree of achievement, value, and ingenuity.

Judged by a panel of industry professionals from around the state, projects were evaluated based on uniqueness, future value to the engineering profession, sustainable considerations, and successful fulfillment of the client's needs.

The awards were presented at the annual EEA celebration on March 31 at the Arkansas Governor's Mansion in Little Rock.
